

## Franchise and Referral Income Opportunity

- 10% of all paid outsources services
- Receive monthly commission checks
- Track commission anytime, online
- Clients can pay OPG directly
- Clients can pay through you
- Services are scalable based on needs

### Franchising Opportunity

Own OPG in your territory without having to pay franchising fees. Our Cloud gives you the ability to provide planning tools and instructions at little to no cost in order begin a relationship. You retain 100% of the consulting revenue.

By leveraging our lead generation and growth tools you set yourself apart from other Consultants because you actually have the ability grow the businesses you consult for with minimal up front investment on your clients part.
